Education

Lambda School / Technical Skills Endorsement

SEP 2020 - MAY 2021, LONGBEACH, CA

Completed a rigorous, up-to-date curriculum and learned industry best-practices. Worked with fellow students on monthly build projects and contributed to professional, open-source software.

University of Denver / B.S. Psychology

SEP 2014 - NOV 2017, DENVER, CO

Concentrated in Cognitive Neuroscience. Facilitated an on-campus radio show. Cultivated an interdisciplinary background.

Experience

Wyzant / JavaScript and CSS Tutor

NOV 2020 - PRESENT, LONGBEACH, CA

Guided students through challenging work using a well-structured and empathic teaching style. Maintained a high customer satisfaction rating.

OpenWorld Learning / Site Instructor

NOV 2015 - JUL 2018, DENVER, CO

Taught students ages 8-12 how to code, using *MicroWorlds EX*. Attended monthly development meetings and worked with fellow instructors to become a better educator.

University of Denver / Research Assistant

JAN 2016 - NOV 2017, DENVER, CO

Worked with Facereader Software, helped process research data, and studied the neuropsychology of truth-telling.
